

Today...

I follow my greatness and know that only I can bring forth this gift to the world.

I do not discount my worth, nor will I discount the worth of others.

I am present in my encounters with others and set clear intentions that will yield benefits for all of us.

I take steps to bring forth my biggest gifts, even if it may take me out of my comfort zone.

I trust in my guidance and boldly follow the required steps and actions to reach my goals.

I take responsibility for my progress in life and business, as I know that I am the only creator of my reality.

I do not blame others for my own failures.

I commit to seeing the good in others and know that we are all made of the same essence.

I take care of me - first, as I know that I am my own most important resource and I need to nourish myself to be able to achieve my goals.

I focus on the big picture and do not get lost in busy tasks.

I show up as the leader that I truly am.

I commit to take decisive action towards my goals.

I don't allow others to take over my schedule.

I commit to being my best self.

I am not sabotaging my success, nor do I hide in addictions.

I show up in my full potential and make a difference in my life and the life of others.

I herewith ask spirit to guide me and give me clear signs to direct me towards my goals with ease, joy and speed.

I am ready to show up now. I am ready to make this the best day of my life. I am ready to love. I am ready to serve. I am ready to create. I am ready to shine.
